

Feedback from TpT Credits

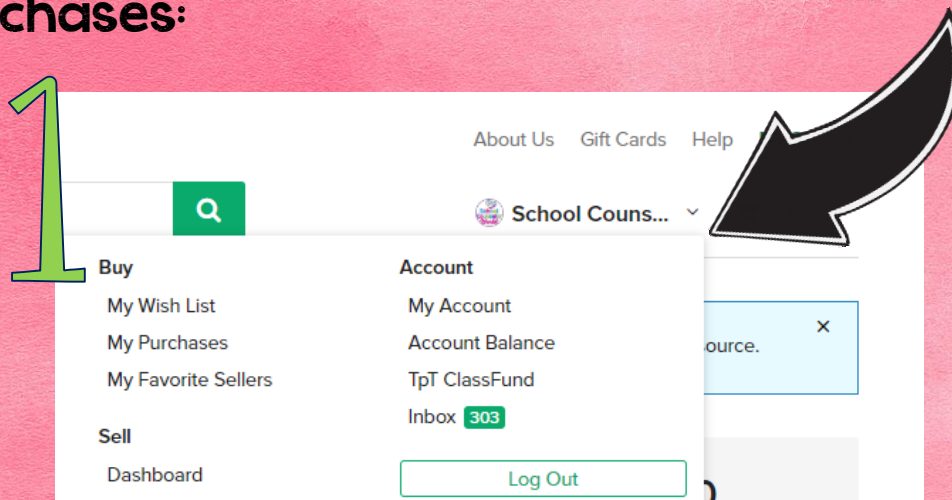

Don't forget to provide feedback on your purchases and earn credits toward future TpT products.

I always LOVE reading your positive comments about my products. I put a lot of time and effort into my store so it's super rewarding to hear how they help you in the classroom! However, should there be an error or a problem with your product, please, please email me before you leave less than a perfect rating on my products. Within reason, I am more than happy to fix an error or re-send a product should there be an issue. I want to help you, as a counselor, so your input counts—please email me!
